

LAND MANAGER - FULL TIME

Pifer's Land Management is seeking a Farmland Manager. Our ideal candidate is known for their integrity, innovation and results. If you have a strong understanding of the agricultural industry, markets and trends, are a self-starter and have a knack for networking and contractual negotiations, this career opportunity is for you. The Pifer Group, Inc. utilizes drone technology for land management and real estate marketing purposes. You would be the lead contact in operating Pifer's small UAS and producing the data into professional marketing media. If you are motivated by unlimited territories of business potential, we want you on the Pifer's team.

Land Manager
